### 2. Background

- 2.1 The Film Development Fund ("**FDF**") was first set up by the Government of the Hong Kong Special Administrative Region ("**Government**") in 1999 to support projects conducive to the long-term development of the local film industry. Since 2005, including an injection of approximately \$1.4 billion in 2024, the Government has injected a total of approximately \$2.9 billion into the FDF.
- 2.2 Chinese culture has a long history and profound connotations. It is one of the unique and rich cultures in the world. As an art form that transcends geographical boundaries, film has extensive influence. On 28 February 2025, the Government launched the GSPCC under the FDF.
- 2.3 The FDF is administered by the Secretariat of the Hong Kong Film Development Council ("**HKFDC**"). The Government will decide in its absolute discretion whether to approve the applications and disburse funds after having considered the recommendations of the HKFDC.
- 2.4 This Guide is applicable to applications for Government Grant under the GSPCC. Applicants for FDF schemes other than under the GSPCC shall refer to the relevant guides which can be obtained from the homepage of the HKFDC website at [www.fdc.gov.hk](http://www.fdc.gov.hk).
